Active Ingredients

Polysorbate 80 0.50%

Purpose

Lubricant

Active Ingredients

Zinc Sulfate 0.25%

Purpose

Astringent

Uses

- For use as a protectant against further irritation or to relieve dryness of the eye.
- For the temporary relief of burning & irritation due to the dryness of the eye.
- Relieves redness of the eye due to minor eye irritations.

Warnings

For external use only.

Do not use

if solution changes color or becomes cloudy.

Ask a doctor before use

if you have narrow angle glaucoma.

When using this product:

- To avoid contamination, do not touch tip of container to any surface.
- Replace cap after using.
- Overuse of this product may produce increased redness of the eye.
- Pupils may become enlarged temporarily.

Stop use & ask a doctor if:

- you experience eye pain
- you experience changes in vision
- you experience continued redness or irritation of the eye
- the condition worsens
- symptoms last for more than 72 hours

Keep out of reach of children.

If swallowed, get medical help or contact a Poison Control Center (1-800-222-1222) right away.

Directions

Instill 1 to 2 drops in the affected eye(s) up to four times daily.

Other Information

- Store at room temperature.
- Remove contact lenses before using.
- **Tamper Evident:** Do not use if neckband on bottle is broken or missing.
- Keep carton for future reference.

Inactive Ingredients

boric acid, edetate disodium, polyaminopropyl biguanide, potassium chloride, sodium chloride, sodium citrate.
